Re: "JAZZ IT UP FOR LIFE"

St. Tammany Right to Life Fundraiser, April 6, 2019

Dear Pro-Life advocates at Our Lady of Lourdes,

I am a member of St. Tammany Right to Life, as well as a recent Board Member, and Coordinator of the Our Lady of Lourdes "Respect Life Committee".

St. Tammany Right to Life organization was invited to co-sponsor this fundraiser with Sts. Peter & Paul Catholic Church. This church recently held a very successful fundraiser using this model and has the know-how to put on this type of event.

The two attached flyers give all the information regarding this event. The major raffle is a \$5,000 Walmart Shopping Spree. Tickets are \$10 each. The event provides dinner, open bar, dancing, games, live music, silent auction and live auction. Please note that after Feb. 28, the \$60 tickets go up to \$65. The event is here in Slidell at the Northshore Harbor Center. Google JAZZITUPFORLIFE.COM, Sts. Peter & Paul Catholic Church, for complete information and the purchase of event tickets and raffle tickets. I am also selling both event and raffle tickets; you can contact me.

St. Tammany Right to Life contributes to the Pregnancy Help Centers in both East and West St. Tammany, Free Indeed Home (Teens rescued from human trafficking). The organization sponsors oratory contests for high schoolers, the annual Life Chains, the Pro-life march in Slidell, gives Pro-Life scholarships, and other pro-life activities.

This is your chance to say "I AM PRO-LIFE". Thank you for your consideration.

Blessings,

Patricia F. Arnold
